**Summary of reasons
for classification:**

The computer image file printout entitled *Mafiasex.Ru_Children_Kids_Hard_Pthc Ultra Hard Pedo Child Porn Pedofilia (New) 016 (1).jpg*

is classified as:

Objectionable.

The image depicts a naked adult man standing above a naked child, who is seated in a bath. The man is holding his penis, and is taking the photograph. The image is clearly intended to be read as sexual, and intended for the arousal of persons with a sexual interest in children. The publication therefore promotes and supports the exploitation of young persons for sexual purposes and is deemed objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993.

The classification of this publication interferes with the freedom of expression, but this is an outcome that is consistent with Parliament's intention that publications falling under s3(2) are deemed to be objectionable. The classification is also a reasonable limitation on the freedom of expression that reflects the concerns of "a free and democratic society" to limit the availability of publications that promote and support the exploitation of children or young persons for sexual purposes.
